Activate your warranty

To activate your warranty, fill in the online form at www.getdio.com/warranty.

0. Installation guides - notices

Please consider first watching our movie on Youtube.com/c/dio-connected-home, it will help you understand the installation process. You can also watch them on our website www.getdio.com in the **support** page.

1. Connect the Home Box

Use the RJ45 cable supplied to connect your Home Box to your modem.
Next, connect your Home Box to the power supply using the USB cable and transformer supplied.
Download the DiO mobile app for iOS or Android, or register at www.getdio.me and follow the installation instructions.

1.1. Create your account and configure your box

www.getdio.me

Youtube.com/c/dio-connected-home

2. Combine with a DiO peripheral

This product is compatible with all DiO peripherals operating under the 868 MHz by edisio or 433 MHz by DiO radio protocol.

You can add up to 44 peripherals.

For more information on DiO peripherals (lighting, heating, mechanisation, garden, and video surveillance), visit www.getdio.com.

2.1. Combine with a DiO peripheral

Install the peripheral according to the instructions given in the manual.

Via the getDiO.me web interface, go into

- 1) Add -> room and add your rooms
- 2) Add-> device

Follow the installation steps
(more info on Youtube.com/c/dio-connected-home)

2.2. Contrôler votre installation avec l'app DiO Home

getdio.me

3. Technical characteristics

Frequency: **868.3 MHz + 433.92 Hz**
Radio protocol: 868 by edisio + 433 by DiO

Recycling
In accordance with European WEEE directives (2002/66/EC) and directives concerning accumulators (2006/66/EC), any electrical or electronic device or accumulator must be collected separately by a local system specialising in the collection of such waste. Do not dispose of such products with ordinary waste. Check the regulations in force. The logo shaped like a waste bin indicates that this product must not be disposed of with household waste in any EU country. To prevent any risk to the environment or human health due to uncontrolled scrapping, recycle the product in a responsible manner. This will promote the sustainable use of material resources. To return your used device, use the return and collection systems, or contact the original dealer. The dealer will recycle it in accordance with regulatory provisions.

CHACON declares that the Home Box ED-GW-01 device is compliant with the essential requirements and other relevant provisions of Directive 1999/5/EC:
EN301 489-1 V1.9.2 (2011-09) & EN301 489-3 V1.6.1 (2013-08)
EN60950-1: 2006+A11:2009+A1:2010+A12:2011+A2:2013
EN 300 220-1 V2.4.1 (2012-05) & EN 300 220-2 V2.4.1 (2012-05)
